**43rd Annual Zonta  
Holiday Homewalk  
December 7-8, 2024**

The Zonta Club of Midland is happy to announce the 43rd Annual Zonta Holiday Homewalk this December featuring spectacular area homes and buildings decorated for the holidays. As we plan for this year, we are asking for your support.

It is through the generosity of Sponsors like you, that a positive legacy is built for generations to come. In fact, during the past 42 years, our annual Homewalk has generated over \$625,000 in proceeds. These proceeds fund educational scholarships to improve the lives of women in Midland County as well as service grants for area non- profits.

Please consider adding the 43rd Annual Zonta Holiday Homewalk to your gifting program this year. We would be honored to have your support in what we expect to be another extraordinary experience for all.

The Zonta Club of Midland is a service organization of business executives and volunteers working together to advance the status of women in Midland and around the world and is part of Zonta International. The club has been active in Midland for over 75 years and membership is open to all.

Please find the enclosed Sponsor Benefits form listing recognition levels of support and opportunities. Enclosed is a self-addressed envelope or you may submit your contribution online at [ZontaClubofMidland.org](http://ZontaClubofMidland.org).

Thank you again, from the Zonta Club of Midland and our entire local community.

Sincerely,

*Lindsey McMacken*
